NORWICH CASTLE GREEN AND NELSON'S MONUMENT

LL4373

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

Castle Green and Nelson's Monument. Castle Green is the site of Hereford Castle, of which hardly any traces now remain. The monument in the centre was erected in 1809, in honour of Lord Nelson. The ancient cannon, which surround the base of the column, are said to have been used for the defence of the city when it was besieged by the Scots.

(FOR ADDRESS ONLY.)
